

PITON WEALTH HIRES TRIXY GLASGOW AS THE ASSISTANT DIRECTOR OF OPERATIONS

August 2020 (KENNEWICK, WA)- Piton Wealth, an affiliate of Thrivent Financial, is pleased to add **Trixy Glasgow** to the team as the **Assistant Director of Operations**. “It is with enthusiasm and optimism that I welcome Trixy to our Piton family. Her background in Human Resources and Operations makes her skill set the perfect technical fit for our practice, while her heart for serving people and her loyalty to the team with whom she works makes her the perfect culture fit.” -Piton Wealth CEO, Michelle Clary.

Trixy has an MBA from Washington State University with an emphasis on Human Resources, as well as over 16 years of management and consulting experience. Her professional focus is on repeatable standards and process replication during business growth and expansion. As the Assistant Director of Operations at Piton Wealth, she will help to devise strategies and policies to ensure that the company meets its goals. Piton Wealth is currently expanding their operations with the launch of a new office in Kalispell, Montana; Trixy will play a large role in that endeavor.

Generosity is a fundamental value at Piton Wealth. Trixy mentioned that she appreciates the volunteer projects, generous giving, and company sponsored community events that Piton hosts. This job will allow her to use her servant’s heart in alignment with the company’s mission of serving well. Trixy has volunteered for many years in the school districts, at her church, and in the local community. “I’m excited to be working with a company who listens to their clients, identifies their needs and guides them in implementing a plan to meet their goals and dreams,” shared Trixy. Trixy stated that she first came to Piton as a client and said she can personally attest to the care and concern the Piton team has for each of their clients; especially in times of change and uncertainty. “I love seeing the amazing hearts and gifts each client shows while they navigate their own unique journey in life. The partnership that forms between the Advisor and client develops over time, but trust is always at the core.”

Trixy grew up in the “Vandal Nation” of Moscow, Idaho. Before attending college, she spent a month in Spain, at the Universidad de Salamanca. She graduated from the University of Idaho with her BS in Business in Production-Operations Management, and then earned her MBA from Washington State University. Trixy began her career at Test Area North (TAN) in Idaho Falls, ID and then worked for Lamb Weston for 16 years. She started as a Production Supervisor and worked her way through many jobs and promotions including being the first person at Lamb Weston to do the Vendor Managed program with Walmart. Most recently, she worked as an independent consultant.

Trixy has been married to Frank Glasgow for over 23 years, and together, they have 2 children, Michaela and Clayton. In her free time, she enjoys getting outdoors with her family and paddle boarding, kayaking, biking, camping, or hiking. She loves to support her husband in his triathlon races, and cheer on her son at swim meets. This fall, her oldest child, Michaela, will be heading to college. Through all the stages of life, Trixy says she will continue to be her children’s loudest cheering section in all of their endeavors.
